URGENT Drug Recall Notice

Various Human and Animal Products Within Expiry

Manufactured by Akorn

Date: 04/26/2023

Dear Valued Customer:

This letter is to inform you that Akorn Operating Company LLC has filed Chapter 7 bankruptcy. In connection with that filing, the company has ceased and shutdown all operations and terminated all its employees of all domestic US Sites. The Akorn Trustee/Estate is initiating a voluntary recall of various within-expiry human and animal products (Refer to Attachment I and II) due to the shutdown and discontinuation of the Quality activities of these marketed products. The discontinuation of the Quality program means the firm will not be able to support / guarantee that the products will meet all intended specifications through the labeled shelf life of the product. Further distribution or use of any remaining product on the market should cease immediately.

Please note that this voluntary market recall is being performed to the **CONSUMER/USER** level.

To implement this voluntary recall, please take the following actions:

1. Immediately examine your inventory, identify any impacted product and quarantine the product.
2. Immediately discontinue use and distribution of impacted product.
3. **The voluntary recall is being performed at the CONSUMER/USER level.**
 - a. Immediately contact all manufacturers/distributors/repackagers/retailers/consumers that received product and instruct them to examine their inventory, quarantine the product, and discontinue use/distribution of the product.
 - b. Destroy all product that is in inventory.
4. Complete the Response verification form and return by email intake@akorn.com or fax to (866)-749-3191.

For medical questions or to report an Adverse Event, please contact Akorn via email at intake@akorn.com or at (800) 932-5676 during normal business hours (8am – 5pm CDT) Monday – Friday. A qualified medical professional will return your call within one business day.

Adverse reactions or quality problems experienced with the use of human drug products may also be reported to the FDA MedWatch Adverse Event Reporting program either online, by regular mail or by fax.

- Complete and submit the report Online: www.fda.gov/medwatch/report.htm
- Regular Mail or Fax: Download form www.fda.gov/MedWatch/getforms.htm or call 1-800-332-1088 to request a reporting form, then complete and return to the address on the pre-addressed form or submit by fax to 1-800-FDA-0178.

Adverse reactions or quality problems experienced with the use of animal drug or device products may be reported to FDA's Center for Veterinary Medicine Adverse Event Reporting program by completing an online Form FDA 1932a available at www.fda.gov/reportanimalae.

We appreciate your immediate attention and cooperation, and sincerely regret any inconvenience caused.

Thank you, **Akorn Trustee/Estate**
