

Laryngoscope Kit Organizer

Model: MC-LKO

The Laryngoscope Kit Organizer stores and protects laryngoscope handles, blades, ET tubes and forceps, or anything that needs protection and organization. The classic attaché style is made for carrying, while the clear outer pocket is great for custom identification. When open, the padded case spreads completely open for quick access to the contents.

Features

- Padded
- Two large pockets (left)
- Four pockets of varying height (right)
- Large, clear, outer pocket for identification and documents

Specifications
