

Vaccinator 500 Go-Bag

Model: VS-500GB

The Vaccinator 500 Go-Bag is a complete kit ready to vaccinate 500 people...just add staff and vaccine! All necessary supplies for a successful mobile clinic are contained within one soft-sided medical bag. An integrated SmartBook™ contains all of the critical data (descriptions, locations, lot numbers, expiration dates, storage parameters, etc.) to manage the supplies. Conduct your next professional vaccination clinic with this Response-Friendly® product.
